cal problem solving skills, on occasion, I have been known to be funny.

experience

Beam Interactive & Marketing Relations – Boston, MA, Jul 2008 - Present
Worked with a team to develop various web applications for clients such as
Puma, L.L.Beam, Mini Cooper, Virgin Mobile, Living Proof and Athena Health.

My Eskimo Friend – Los Angeles, CA –Sep 2007 - Oct 2007

Designed and developed AS2 banner ads, menu systems, video player,
color keyed footage, motion design and animation for promotional
videos on their PC Ask Me campaign.

WXXI – Rochester, NY Mar 2007 - May 2007

School project where I worked with one other person to design and animate
new graphics including the show intro, credits, and transitions for each
segment for the show Homework Hotline.
